Dear Harold;

You and Lil seemed to be in good shape when I spoke to you the other day. Your circulation seems to have improved which I am sure is encouraging to you. Less uplifting is the Committee hearing but going as you predicted. Is Mak Lane for real? or is he doing something else? I asked this before. It's hadd to beleive that he can be as crazy as he is acting. His ravings were not even reported in the L.A. Times and also very little coverage on the whole hearing.

I just received a monograph on the Buckley family and there roots with the Rockerfellers and Rothchilds and Cia. If you would be interested I will send you a copy.

Have a good thanksgiving and my best to both of you.

Paul
